**Please note:** The business situations described in this presentation are only examples of the types of results a customer might expect to achieve in utilizing State Bank's SLED Credit Line. Every customer's situation is different, and prospective customers are urged, together with their accounting and legal professionals, to analyze their particular business as it relates to the financing offered by State Bank. The SLED™ Credit Line is designed to work best for companies that are profitable, but experiencing shortages of available capital as a result of rapid growth in their business. While customers may terminate the SLED™ Credit Line at any time and without penalty, applicable documents will provide for the release of the bank's collateral only following payment of all obligations of the customer to the bank.
